Dear Parisa,

Hi, hope you are fine. I want to write about my new school for you. I really like it. I go to Molavi school. There are twenty eight students in my class. They are so clever and neat. My best friend is Neda. She is kind and shy. She doesn't have many friends at school. She sometimes asks me to help her with her lessons. I go to their house on Fridays to study math and English. Our English teacher is patient and a bit serious. All the students like her.

See you soon
